A. Ordering and Order Fulfillment

- a. Contractor shall provide a complete and accurate Internal Revenue Service form W9 to the State prior to accepting an Order from any Purchasing Entity. Upon a request by a Purchasing Entity, Contractor shall provide a complete and accurate Internal Revenue Service form W9 to that Purchasing Entity.

- i. Contractor shall allow the State and Purchasing Entities to use a procurement card or other credit card to make payments under any Order, in addition to any other payment procedure available to the State or Purchasing Entity.
- ii. The State shall not pay any amount to Contractor under this Participating Addendum unless the State issues an Order, at which time it shall pay Contractor in accordance

The State shall not be responsible for payment under any Order that is issued by a Purchasing Entity that is not the State, and the Contractor shall seek no payment or other compensation from the State for any Work performed under any Order issued by a Purchasing Entity that is not the State.

B. Payment Procedures

i. Invoices

Contractor shall invoice each Purchasing Entity in accordance with that Purchasing Entity's Order. Contractor shall not invoice the State under any Order unless the State issued that Order. Contractor shall allow 45 days for the State and Purchasing Entities to pay an invoice following the receipt of the invoice, unless the State or a Purchasing Entity specifically agrees to a shorter time in an Order. State law and regulations provide that State payments made within 45 days are not considered delinquent, and unless otherwise agreed, State Purchasing Entities will pay interest on any unpaid balance beginning on the 45th day at the rate of 1% per month until paid in full; provided, however, that interest shall not accrue on unpaid amounts that are the subject of a good faith dispute regarding the obligation to pay all or a portion of the liability. ii. Payment Disputes

Unless different procedures are specified in an Order, if Contractor disputes any calculation, determination or amount of any payment, Contractor shall notify the Purchasing Entity issuing the Order in writing of its dispute within 30 days following the earlier to occur of Contractor's receipt of the payment or notification of the determination or calculation of the payment by that Purchasing Entity. The Purchasing Entity will review the information presented by Contractor and may make changes to its determination based on this review. The calculation, determination or payment amount that results from the Purchasing Entity's review shall not be subject to additional dispute under this subsection. No payment subject to a dispute under this subsection shall be due until after the Purchasing Entity has concluded its review, and the Purchasing Entity shall not pay any interest on any amount during the period it is subject to dispute under this subsection.

iii. Available Funds-Contingency-Termination of Order

Purchasing Entities, except for authorized non-profit entities, are prohibited by law from making commitments beyond the term of the current Purchasing Entity's Fiscal Year. Payment to Contractor beyond the current Purchasing Entity's Fiscal Year is contingent on the appropriation and continuing availability of Contract Funds in any subsequent year (See Colorado Special Provision). If federal funds, non-State funds or funds from any other source constitute all or some of the Contract Funds, the Purchasing Entity's obligation to pay Contractor shall be contingent upon such funding continuing

to be made available for payment. Orders under this Participating Addendum shall be made only from Contract Funds, and the Purchasing Entity's liability for such payments shall be limited to the amount remaining of such Contract Funds. If State, federal or other Purchasing Entity funds are not appropriated, or otherwise become unavailable to fund an Order under this Participating Addendum, the Purchasing Entity may, upon written notice, terminate the Order, in whole or in part, without incurring further liability. The Purchasing Entity shall, however, remain obligated to pay for Services and Goods that are delivered and accepted prior to the effective date of notice of termination of Order. A State Purchasing Entity Order termination shall otherwise be treated as if the Order was terminated in the public interest as described in §3. D. of this Exhibit A.

The Purchasing Entity may effect such termination by giving Contractor a written notice of termination, to the Contractor's primary contact in accordance with §5 of the Participating Addendum, and by paying to Contractor any amounts which are due and have not been paid through the last day of the Fiscal Year for which appropriated funds are available. The Purchasing Entity shall endeavor to give notice of such termination not less than 30 days prior to the day of non-availability of funds, and shall notify Contractor of any anticipated termination.

iv. Discount and Delinquency Period

Any applicable cash discount period or delinquency period for the amounts shown on an invoice shall begin on the date the Purchasing Entity's approves of the invoice, or from the date of receipt of acceptable Goods or Services at the specified destination by an authorized Purchasing Entity representative, whichever is later.

7. PAYMENTS TO STATE

Administrative Fees

- A. Each State Fiscal Year quarter, Contractor shall, using a form as directed by the State, calculate an Administrative Fee equal to 1% of the total sales made under Orders during that State Fiscal Year quarter. Contractor shall pay the State the Administrative Fee for each State Fiscal Year quarter within 45 days following the end of that State Fiscal Year quarter.
- B. Contractor shall remit all administrative fees to the State's primary contact identified in §5 of the Participating Addendum and with the payee as "State of Colorado".

8. REPORTING – NOTIFICATION

A. Volume Reporting

The State will use a centralized method of tracking volume. Contractor shall provide a quarterly volume report to the State's primary contact identified in §5 of this Participating Addendum within 30 calendar days following the end of the State Fiscal Year quarter that the report covers.
