v. **Termination of an Order for the Public Interest.** Unless otherwise agreed, a State Ordering Entity procurement officer, when the interests of the State, so require, may terminate any Order, in whole or in part, for the public interest of the State, provided only that such termination will not relieve the Ordering Entity from its obligations with respect to any Goods and/or Services already delivered to or used by such Ordering Entity. The procurement officer shall give at least thirty (30) days prior written notice of the termination to Contractor specifying the part of the Order terminated and when termination becomes effective. Termination for the public interest of all or any portion of an Order shall not constitute a breach of this Price Agreement by an Ordering Entity or the State.

Additionally, if a terminated Order is less than sixty (60) percent completed, the State Ordering Entity may reimburse Contractor for a portion of actual out-of-pocket expenses (not otherwise reimbursed under such Order) incurred by Contractor which are directly attributable to the uncompleted portion of Contractor's obligations hereunder; provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Contractor under such Order.

7. TAXES and PAYMENTS TO CONTRACTOR

A. Taxes and Tax Exemption Status

- i. The State and State Agencies are exempt from all federal excise taxes under the United States of America Internal Revenue Code (IRC) Chapter 32 (No. 84-730123K) and from all Colorado State and local government sales and use taxes under CRS §§39-26-101 and 201 et seq. Such exemptions apply when Goods are purchased or Services are rendered to benefit the State. Contractor is hereby notified that when products or services are purchased for the benefit of State Ordering Entities, some Political Subdivisions (e.g., City and County of Denver) may require payment of sales or use taxes even though the product or service is provided to the State or a State Ordering Entity. These sales or use taxes will not be reimbursed by the State Ordering Entity, nor will any prices or rates in this Contract be adjusted on account of such taxes.

- ii. For the purpose of establishing this Price Agreement, the SPO's F.E.I.N. is 84-0644739, however different Ordering Entities may have their own Federal Employer Identification Numbers. The State's tax exemption number is 98-02565-0000; however, different Ordering Entities may have their own tax exemption numbers as well. The Contractor shall be responsible for requesting and obtaining each Ordering Entity's F.E.I.N. and tax exemption number and documentation at the time an Order is placed or upon Contractor's request. The State is not liable for any taxes assessed against Contractor for franchise or licensing, or related to the income of the Contractor. No taxes of any kind shall be charged to the State.

B. Payments to Contractor

- i. An Ordering Entity issuing a valid Order shall be bound by the terms and conditions of this Price Agreement, including, without limitation, the obligation to pay Contractor for Goods and/or Services in accordance with the provisions of this §7, using the methods set forth below.
- ii. The State of Colorado shall not be liable for payment of Orders placed by a non-State Ordering Entity, nor shall the Contractor seek compensation from the State of Colorado for such Orders.

C. Invoicing/Billing

- i. **Invoices.** Contractor shall have an accounting and billing system and provide Ordering Entities with an invoice when purchases are made. Contractor shall invoice Ordering Entities for Goods and/or Services provided to and accepted by the Ordering Entity, at the prices listed in this Price Agreement, as amended. A statement showing transactions for a period is not an invoice, though the Contractor may provide such documents as information to the Ordering Entity on a regular basis or upon the request of an Ordering Entity. Unless otherwise specified in the Order, Ordering Entities will pay Contractor based on submission of invoices to the Ordering Entity that detail the dates, quantity, and description of Goods delivered and/or Services performed, the billing rate, and the Order number. Incorrect payments to Contractor due to omission, error, fraud, or defalcation may be recovered from the Contractor by deduction from subsequent payments due under Orders or other contracts between the Ordering Entity and the Contractor.

The terms and conditions on any invoice, statement, Contractor time sheet, or other form, including, but not limited to indemnification, limitation of liability, or cancellation fees, shall be void and of no effect against the State or any Ordering Entity. The Contractor's and Ordering Entities' rights and obligations shall be governed solely by the terms and conditions of this Price Agreement. Any Ordering Entity employee's signature on Contractor's forms shall be effective only to establish receipt of Goods or Services. The Contractor shall provide a toll free number for Ordering Entity inquiries on billing problems.

- ii. **Remittance.** Ordering Entities will remit payments by mail or via State procurement credit cards or as otherwise agreed by Contractor and such Ordering Entities. The Ordering Entities shall send payments to Contractor at the address shown on the invoice if it is the same address recorded in this Price Agreement or subsequently provided to SPO in writing. Contractor must provide written notice (email is acceptable) of a remittance change to the SPO within 5 business days of a change.
- iii. **Payment by State Ordering Entities; Interest.** Contractor shall allow State Ordering Entities a minimum of thirty (30) days after receipt of an invoice to pay for products or services provided by Contractor. 18. STATEWIDE CONTRACT MANAGEMENT SYSTEM

- A. If the maximum amount payable to Contractor by State Ordering Entities under this Price Agreement is \$100,000 or greater, either on the Effective Date or at anytime thereafter, this §18 applies. Contractor agrees to be governed, and to abide, by the provisions of CRS §24-102-205, §24-102-206, §24-103-601, §24-103.5-101 and §24-105-102 concerning the monitoring of Contractor performance on state contracts and inclusion of contract performance information in a statewide contract management system. Evaluation and Review of Contractor's performance shall be part of the normal contract administration process and Contractor's performance will be systematically recorded in the statewide Contract Management System.

At the end of the current contract term or sooner in the event the **Price Agreement** is terminated prior to the full term, the State Ordering Entity (also referred to as "Contract Monitor" in **Exhibit D**) shall complete and submit a performance evaluation in a form substantially equivalent to **Exhibit D (Sample Contract Performance Evaluation)**.

- B. Areas of Evaluation and Review shall include, but shall not be limited to quality, cost and timeliness. Collection of information relevant to the performance of Contractor's obligations under this Price Agreement shall be determined by the specific requirements of such obligations and shall include factors tailored to match the requirements of Contractor's obligations. Such performance information shall be entered into the statewide Contract Management System at intervals established by State Ordering Entities and a final Evaluation, Review and Rating shall be rendered within 30 days of the end of the Price Agreement term. Contractor shall be notified following each performance Evaluation and Review, and shall address or correct any identified problem in a timely manner and maintain Work progress.

- C. Should the final performance Evaluation and Review determine that Contractor demonstrated a gross failure to meet the performance measures established hereunder, the Executive Director of the Colorado Department of Personnel & Administration (Executive Director), upon request by the State Purchasing Office, and showing of good cause, may debar Contractor and prohibit Contractor from bidding on future contracts.
- D. Contractor may contest the final Evaluation, Review and Rating by: **(a)** filing rebuttal statements, which may result in either removal or correction of the evaluation (CRS §24-105-102(6)), or **(b)** under CRS §24-105-102(6), exercising the debarment protest and appeal rights provided in CRS §§24-109-106, 107, 201 or 202, which may result in the reversal of the debarment and reinstatement of Contractor, by the Executive Director, upon a showing of good cause.
