

**Addendum to Software License and Maintenance Agreement
for Hosting by Pitney Bowes of Pitney Bowes Software**

LICENSEE HAS READ THIS ADDENDUM AND UNDERSTANDS AND AGREES TO ABIDE BY ITS TERMS.

This Addendum is between Pitney Bowes Inc. ("Contractor"), a Delaware corporation, with offices at 3001 Summer Street, Stamford, CT 06926 ("**Pitney Bowes**") and the customer ("**Licensee**" or "Purchasing Entity") named in a Sales/Lease Agreement with Pitney Bowes or one of its affiliates pursuant to which Licensee has agreed to pay a hosting fee for Pitney Bowes to host certain Pitney Bowes Software licensed by Pitney Bowes to Licensee under a Software License and Maintenance Agreement (the "**License Agreement**"). This Addendum sets forth the terms pursuant to which Pitney Bowes will host for Licensee such Pitney Bowes Software. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the License Agreement. LICENSEE'S SIGNATURE BELOW, OR USE OF THE PITNEY BOWES SOFTWARE, CONSTITUTES LICENSEE'S AGREEMENT TO THIS ADDENDUM.

1. Definitions

- (a) "**Host Environment**" means all software, middleware and hardware necessary to host the Pitney Bowes Software, including, without limitation, host servers; server, telecommunications and security software; database software; operating systems; client access hardware; back-up systems; network routing; system monitoring; and Internet access.
- (b) "**Pitney Bowes Hosting Period**" means the period during which Pitney Bowes has agreed to host the Pitney Bowes Software and Licensee has paid for such hosting.
- (c) "**Licensee Hosting Period**" means all times other than the Pitney Bowes Hosting Period.

2. Pitney Bowes Hosting Period

The following terms apply during the Pitney Bowes Hosting Period:

- (a) Pitney Bowes shall: (i) host the Pitney Bowes Software for Licensee on server(s) at a Pitney Bowes or third-party facility ("**Host Servers**"); and (b) provide all appropriate and necessary application support, Software Maintenance, network security within the host firewall and load balancing for the Pitney Bowes Software for Licensee's use. As part of the foregoing, database transactions will be captured on a continuous basis, replicated to a backup system during Hosting Measurement Hours (as defined in Section 3 of this Addendum) and copied daily to a tape that is sent to a secure off-site storage facility.
- (b) The Pitney Bowes Hosting Period for Pitney Bowes Software that is financed under a Lease Agreement shall be the term of the Lease Agreement. The Pitney Bowes Hosting Period for Pitney Bowes Software subject to a Sales Agreement shall be for the term indicated in the Sales Agreement.
- (c) Pitney Bowes shall use commercially reasonable efforts to minimize downtime of the Host Servers for maintenance, updates and revisions to the Pitney Bowes Software and other software, hardware and equipment associated therewith. Except as expressly set forth in this Addendum, Pitney Bowes makes no representation, warranty, guaranty or other assurances regarding up-time of the Host Servers or the availability or accessibility of the Pitney Bowes Software.
- (d) Licensee shall provide Pitney Bowes, in writing, with the name, email address and telephone number of a Licensee representative whom Pitney Bowes may contact in the event of any Downtime (as defined in Section 3 of this Addendum). Pitney Bowes shall notify such representative by email when Downtime has exceeded fifteen (15) minutes. If an acknowledgement or notification of receipt of such notice is not received within thirty (30) minutes, up to two (2) attempts will be made by Pitney Bowes to reach such representative by telephone, leaving a message if possible. The same procedure will be followed when the Downtime has ended.
- (e) Licensee shall be solely responsible for: (i) its access to the Pitney Bowes Software through a Licensee WAN and to the Internet; (ii) operating all software (other than the Pitney Bowes Software to the extent Pitney Bowes is responsible therefor under this Addendum) and hardware in its locations or which may otherwise be required in connection with the Pitney Bowes Software and the use thereof; and (iii) without limiting the foregoing, configuration of the Pitney Bowes Software for each location, including, without limitation, user ID's, security levels and carrier accounts. Any changes by Licensee to the operating environment of its computer systems which require a revision of the Pitney Bowes Software or additional work by Pitney Bowes are subject to Pitney Bowes's prior written consent and a mutually agreed upon additional charge by Pitney Bowes.

- (f) Licensee shall provide Pitney Bowes with such cooperation as Pitney Bowes shall reasonably request with respect to Pitney Bowes's obligations under this Addendum, including, without limitation, by providing access through Licensee's firewall to the Pitney Bowes hosted network.
- (g) Pitney Bowes may provide links to external sites that cause Licensee to leave the site at which the Pitney Bowes Software is available. Any such link is provided for the use and convenience of Licensee. The appearance of a link does not constitute an endorsement, recommendation or certification by Pitney Bowes of the external link; and should not be construed as a suggestion that the external link has any relationship with Pitney Bowes except as expressly provided in the Pitney Bowes Software or the User Manual.
- (h) Pitney Bowes automatically collects and/or tracks: (i) the home server domain names, e-mail addresses, type of client computer, and type of web browser of users to the web site at which the Pitney Bowes Software is available, (ii) the e-mail addresses of users that communicate with Pitney Bowes; (iii) other information knowingly provided by the user; and (iv) aggregate or specific information on what pages users access. Pitney Bowes may use a technology called "cookies". These cookies may be used to obtain data such as the user's name, user-name and pages viewed.
- (i) The volume of transactions is expected to be reasonably evenly distributed throughout the year. Licensee acknowledges that peaks of volume may adversely affect hosting performance and that the parties may agree to modify the hosting fee as a result of repeated peaks.

3. Downtime during Pitney Bowes Hosting Period

- (a) For purposes of this Addendum, the following terms have the meaning set forth next to them:
 - (i) **"Hosting Measurement Hours"** means, during the Pitney Bowes Hosting Period, 6 a.m. to 9 p.m., Central Time, Monday through Friday, excluding national holidays.
 - (ii) **"Measurement Period"** means, during the Pitney Bowes Hosting Period: (A) the first full twelve-month calendar period beginning after the later of: (1) the date on which Licensee has paid all amounts due to Pitney Bowes under the Sales Agreement or payments have begun under the Lease Agreement; or (2) Licensee's acceptance of the Pitney Bowes Software on a Delivery and Acceptance Form or other form provided by Pitney Bowes; (B) each successive full twelve-month calendar period thereafter during the Pitney Bowes Hosting Period; and (C) the final period at the end of the Pitney Bowes Hosting Period following the periods referred to in (A) or (B), provided that such final period shall be at least three (3) full calendar months.
 - (iii) **"Downtime"** means the time during Hosting Measurement Hours when the shipping functionality of the Pitney Bowes Software is not available for use by Licensee as a result of unscheduled downtime of the Pitney Bowes Software caused by: (A) Pitney Bowes personnel; or (B) Pitney Bowes equipment and related software that are within Pitney Bowes's firewall and are used for operation of the Pitney Bowes Software.

"Downtime" does not include, without limitation, downtime or unavailability of the Pitney Bowes Software: (1) caused by Licensee personnel, representatives or agents or by Licensee or third-party equipment or software; (2) caused by usage of the Pitney Bowes Software in excess of the expected or permitted usage, with such usage spread reasonably evenly throughout the Measurement Period; (3) related to content or applications associated with the Pitney Bowes Software but not within Pitney Bowes's commercially reasonable control; (4) related to Internet or telecommunication performance; (5) resulting from unscheduled maintenance to resolve or avoid a problem where such resolution requires less than fifteen (15) minutes; (6) caused by matters within the scope of Section 8 (Force Majeure) of the License Agreement; or (7) outside of Hosting Measurement Hours. In addition, "Downtime" does not include downtime or unavailability of the reporting or administrative functions of the Pitney Bowes Software.
 - (iv) **"Allowable Downtime"** means one percent (1%) of the Hosting Measurement Hours in a particular Measurement Period.
 - (v) **"Unit of Downtime"** means six (6) hours of Downtime.
- (b) Licensee shall give Pitney Bowes's technical support staff prompt notice of Downtime. Notice shall be given by telephone (with a voicemail message left if a technical support staff member is not contacted in person) and by email to an address provided by Pitney Bowes for such purpose.

(c) For each Unit of Downtime in excess of Allowable Downtime during a Measurement Period, Pitney Bowes will provide Licensee with a credit in an amount equal to one-tenth of one percent (0.1%) of the hosting fee paid by Licensee with respect to such Measurement Period; provided, however, that in no event shall the aggregate credit with respect to any Measurement Period exceed the hosting fee paid by Licensee with respect to such Measurement Period. Agreed-upon credits may be applied toward future amounts due to Pitney Bowes for hosting or Software Maintenance. If no such amounts are expected to be due, upon Licensee's request, Pitney Bowes shall pay Licensee an amount equal to such credits.

(d) Each party shall supply the other with the basis of its calculation of Downtime and shall, in good faith, consider the other's information and try to mutually agree on actual Downtime, if any, for purposes of this Addendum.

4. **Licensee Hosting Period.** At all times other than during the Pitney Bowes Hosting Period: (a) Licensee shall be solely responsible for: (i) hosting the Pitney Bowes Software for its use; and (ii) acquiring, installing, operating and maintaining the Host Environment; and (b) Pitney Bowes has no responsibility or liability for, and makes no representation or warranty, with respect to, the Host Environment; any recommendations made with respect to the Host Environment; or any websites accessed through the Pitney Bowes Software.

5. **Licensee Hosting Period and Pitney Bowes Hosting Period.** During both the Licensee Hosting Period and the Pitney Bowes Hosting Period, Licensee: (a) is solely responsible for its use of any websites accessed through the Pitney Bowes Software, whether such access is provided for Pitney Bowes Software functionality, as a matter of convenience or otherwise; and (b) uses such websites entirely at its own risk.

6. **Termination.** This Addendum shall terminate upon termination of the License Agreement.

7. **Agreement.** The License Agreement and this Addendum together constitute the "Agreement" as such term is used in the License Agreement. To the extent that any terms and conditions of the License Agreement conflict with the provisions of this Addendum, the provisions of this Addendum shall govern. Except as specifically provided herein, all terms and conditions of the License Agreement shall remain in full force and effect.
